## **CAPT Clothing Sale**

---

Hello Members,

CAPT is excited to announce the introduction of our new CAPT line of clothing and tote bags! This is a wonderful way to let the world know your pride in your work and the importance of play therapy in the lives of children, adults and families.

When choosing the clothing, attention was paid to both quality and value. The clothing printers are from the Guelph area and we were able to work directly with them when choosing the clothing and the very durable canvas tote bags (perfect for carrying your toys!). The clothing is a deep purple colour and comes in both men's and women's cuts and sizes from an XS to a 3XL. Please note, it is

suggested for the sweatshirts, to **order a size up in the women's sizes** as they are smaller than standard. The t-shirts are from a different company and are more standard in their sizing.

This is a "one-time" ordering opportunity. Please see the links on our website to pre-order and pre-pay.

**You will be able to place your order until January 31<sup>st</sup>.** At that time, all orders will be placed with the printers. Your items will be mailed to you by

the end of February.  
Have a look at what is available and show  
your pride in play therapy and in CAPT!

Thank you for your ongoing support of  
CAPT by being part of this very important  
association.
