### **COVID 19 UPDATE**

#### **Canadian Association for Play Therapy**

**As you all know, CAPT has been very active since early March in designing, developing and presenting plans to help members continue to do good work during this very difficult time. We strive to continue to meet your needs.**

**We are working hard with on-line training offerings to help you continue to meet with clients using TelePlay. Our next offering will be May 16th.**

**We also understand our obligation to continue to support your Foundation Play Therapy needs in July and August as well as some of the more advanced trainings through on-line offerings throughout 2020.**

**Thank you for your kind words, your support and gracious understanding of some delays in responding to your requests. As we work through these changes, we recognize the importance of our work and we strive to present excellence in our offerings.**

**We will continue to keep you informed of upcoming changes or training as the information is released.**
