As part of your membership with CAPT, you have access to all the **International Journal to Play Therapy (IJPT)** for over 25 years.

These articles are peer reviewed so they are the best of the best.

The following in this email shows you all the articles in the **October 2019, January 2020, April 2020** and **July 2020** issues. And **October 2020** is coming in the next couple of weeks. You can ask for that one as well and we will send it to you upon receiving them.

The beauty of the following is that you can click on any article and it will show you the abstract of the article.

So try some of these out and see what issue(s) you would like to receive in the mail.

We are doing this to use up our supply of the paper copy of all these issues.

Let me know if you are interested in receiving one or more of these issues.
