Subject: Announcing Change in CAPT Association Management

December 17, 2020.

**A MESSAGE TO THE MEMBERS OF THE
CANADIAN ASSOCIATION FOR PLAY THERAPY**

After a long process of interviews and discernment your CAPT Board of Directors would like to introduce our new Management Company, Blyth & Associates, Association Management Company who will provide support to the Operations of CAPT.

Tracy Blyth, CAE is a Certified Association Executive and comes to us as an individual with 30 years experience. She has great background in association management most recently served as the Executive Director of CSAE Trillium Chapter, the organization that represents Association Executives in Canada .

Kip and Elizabeth Sharpe have committed 15 years to CAPT. Since their involvement we have grown from a 93 member provincial chapter to a 440 national association. Your Board hears from members regularly how much they appreciate Kip and Elizabeth. They truly have been the face of play therapy in Canada if not internationally.

It is our great fortune that Elizabeth has agreed to stay on part-time as the Executive Director of CAPT and Kip will still coordinate our on-line foundation training and continuing education training. We are grateful that they will still be working part-time for CAPT while assisting Tracy to understand what a unique organization we are.

Tracy will be now be answering our phones so check in and say HELLO!

We thank you, our members for your ongoing support of our national Play Therapy Association. Please know that we are thinking of you during these challenging times.

And may we take this moment to wish you a happy and healthy holiday season. It will certainly look different this year, but we hope you are able to have some relaxing time with those close to you.

Sincerely

Theresa

Theresa Fraser CYC-P, CPT-S, RP, MA , RCT
