Subject: FW: CAPT Training Programs 2021-2022 - Call for Instructors

Canadian Association for Play therapy (CAPT)

Call for Instructor Foundation Play Therapy Training

The Canadian Association for Play Therapy (CAPT) has a standing call for Play Therapy Instructors to submit proposals to be included on the Canadian Association for Play Therapy, Instructors Roster. This Roster holds the names of those instructors who are experts in Canada in specific foundation play therapy modalities taught in CAPT programs over the period of a year.

Based on board strategic goal setting and feedback from a member survey: CAPT is looking for a Play Therapist Supervisor/Instructor who has experience in:

- **Anti-oppressive practice, cultural competence, cultural humility and the integration of the same in the provision of play therapy services while working with and supporting culturally diverse families.**

This individual will liaise with the CAPT Education Committee to create and deliver a one-day training that will be added to the Foundation Play Therapy Training schedule for 2021.

Please send your CV outlining expertise:

Individuals who are close to certifying as Supervisors are welcome to apply by December 30, 2020

**Canadian Association for Play therapy (CAPT)
Call for Instructors 3 Day Intensive Certificates**

The Canadian Association for Play Therapy (CAPT) has a standing call for Play Therapy Instructors to submit proposals to be included on the Canadian Association for Play Therapy, Instructors Roster. This Roster holds the names of those instructors who are experts in Canada in specific play therapy modalities taught in CAPT programs over the period of a year.

The application is measured through the quality of the instructor credentials and experience in the subject matter and in this time, relating to experience using a Learning Management System and/or Zoom on-line.

Based on feedback from CAPT members and former students, the following topics are being considered for the 2021 & 2022 years. The training would take the form of a **1 to 3 day Intensive Certificate:**

- **Mobile Play Therapy:** in different settings including school, in-home, and medical settings. This could be delivered as separate trainings or combined.
- **Parents as Allies in the Play Therapy:** Process - how to explain play therapy to parents and engage them in play therapy, including how to recognize parent's unmet needs and vulnerability and engage them in supporting their children.
- **Developing a Practice Model for Play Therapy** - therapist's influences, theoretical models, and benefits to developing one's own model.
- **Impact of Divorce on Children and Their Development** - working with parents who are involved in custody and access through the courts.
- **Sexual Abuse** interventions to help a child heal from sexual abuse and integrating parents into their child's healing from sexual abuse so they know how they can support their child.
- **Group and Family Sandtray**
- **Sensory Play** - including sensory experiences into play therapy
- **Non-directive Play Therapy**
- **Filial Play Therapy**
