The password will need to be 8-14 characters long, with a mix of letters, numbers or symbols. If you are a member of the American Psychological Association or if you already have an established login account with the APA, go to <https://my.apa.org> and login with your current user name and password. Once you're logged on, scroll down to the area designated as "Subscriptions."

Under Subscriptions scroll down to the section "Journals," where *your journal* is listed, then click on your journal to view it.
